

Mazhar Hussain

Software Engineer

Email: realmazharhussain@gmail.com

Phone: +92 304 1537702

Address: Muzaffargarh, Punjab, Pakistan.

A passionate programmer with love for application development, open source and Linux. I'm very familiar with Linux, and GNOME. I have messed around with the boot process (GRUB, EFISTUB, etc), systemd, GDM, GNOME Shell, and more. I have written several apps and utilities for Linux/GNOME, and I love learning new things.

Passion Projects

- ◆ **GDM Settings:** [gdm-settings.github.io](https://github.com/gdm-settings)
- ◆ **Daikhan:** gitlab.com/daikhan/daikhan
- ◆ **Nautilus-Code:** github.com/realmazharhussain/nautilus-code
- ◆ **Immersive-Dark-Mode:** github.com/realmazharhussain/immersive-dark-mode
- ◆ **and more ...** (github.com/realmazharhussain)

Education

- ◆ Bachelor of Science in Computer Science 2019–2023
Bahauddin Zakariya University, Multan.

Skills

- ◆ Python Very Good
- ◆ Bash Very Good
- ◆ Vala Very Good
- ◆ C/C++ Good
- ◆ GTK Very Good
- ◆ GStreamer Good
- ◆ Git Very Good
- ◆ Meson Very Good
- ◆ Flatpak Very Good
